NEW BUSINESS

Thank you to the organizations who ran a workplace campaign or contributed a corporate gift for the first time in 2025. Check them out [here!](#)

ECC TIP OF THE MONTH

“A strong campaign starts with a passionate committee that’s connected to the cause and empowered to innovate new events that educates and builds community. By promoting Partner Agencies throughout the year, we have a culture where giving back is a natural part of what AF does, while creating meaningful moments of community and learning along the way.”

Christine Seapy
American Fidelity

UNITED IS THE WAY TO COMMUNITY INVESTMENT

Thank you to the organizations that have allowed their employees to be Community Investment volunteers! The annual allocations process is vital to ensuring transparency and accountability at our Partner Agencies. Check out these amazing partners [here!](#)
