UNITED WAY
Canadian County

# WE MAKE IT EASY TO MAKE A DIFFERENCE.

When you give to United Way of Canadian County, you're not just supporting programs, you're strengthening an entire system that works together to create lasting change. Change that impacts neighbors in your own community, like Jake. You're helping ensure that when someone asks for help, the answer is never just one door, but a pathway forward. Because when resources come together, lives change. And it all starts with one connection.

**United Way of Canadian County** is the first step, with years of experience connecting community resources with responsive and accountable health and human service agencies. Our circle of support includes **19 health and human service programs at 14 locally focused Partner Agencies** devoted to addressing the community's most pressing needs. By making one donation today, you help create lasting change for generations to come.

## HOW YOUR DONATION CREATES HOPE

### YOUTH OPPORTUNITY
**$10** provides markers, coloring sheets, and drawing materials for children to use during an intake interview.

### HEALTHY COMMUNITY
**$35** will pay for a medical exam or urgent care exam.

### FINANCIAL SECURITY
**$40** provides a month of supplemental groceries to a family of four during summer vacation and other school breaks.

### COMMUNITY RESILIENCY
**$50** helps provide transportation for two to three essential trips, such as medical visits, employment or grocery access for a senior (55+) or individual with a physical disability.

"United Way funding makes a real difference in helping me care for patients who are falling through our health care cracks. It allows me to provide necessary, cost-effective testing at Variety Care so patients can stay healthy and out of the ER because they don't have insurance or are underinsured. I often see patients in that gap between 63 and 65 who've had to retire early and aren't yet eligible for Medicare. This support helps them access medications and routine care they simply couldn't afford otherwise."

"Being a United Way Community Investment Volunteer allows me to deepen my knowledge of the critical resources our community depends on. It also empowers me to serve as an ambassador, connecting others to the life-changing organizations that the United Way helps to fund."
