UNITED WAY
Logan County

WE MAKE IT EASY TO MAKE A DIFFERENCE.

When you give to United Way of Logan County, you're not just supporting programs, you're strengthening an entire system that works together to create lasting change. Change that impacts neighbors in your community, like Jamie. You're helping ensure that when someone asks for help, the answer is never just one door, but a pathway forward. Because when resources come together, lives change. And it all starts with one connection.

United Way of Logan County is the first step, with years of experience connecting community resources with responsive and accountable health and human service agencies. Our circle of support includes **13 health and human service programs at 12 locally focused Partner Agencies** devoted to addressing the community's most pressing needs. By making one donation today, you help create lasting change for generations to come.

HOW YOUR DONATION CREATES HOPE

YOUTH OPPORTUNITY
$20 a month provides a scholarship to a weekend camp for one camper and their one-to-one volunteer.

HEALTHY COMMUNITY
$30 a month can provide supplemental meals for a family for one month.

FINANCIAL SECURITY
$40 a month pays for utilities for one survivor of domestic abuse to be sheltered safely with clean water, heat and A/C and other basic comforts of a safe home.

COMMUNITY RESILIENCY
$50 a month fully funds 100 hours of respite care to one full-time caregiver of an individual with disabilities.

"Being a United Way of Logan County Partner Agency allows us to provide scholarships for Logan County campers with disabilities to attend safe, welcoming and accessible outdoor programming, expanding their horizons and broadening their experiences. It also provides much-needed respite care to the caregivers and full-time caregivers of our campers. The scholarships provided from our partnership with United Way of Logan County will provide approximately 3,465 hours of respite care to Logan County parents and caregivers this year!"

"The Community Investment process allows me, as a donor, to be part of ensuring the monies given to the Partner Agencies are being used well. It gives me peace of mind that my money is truly helping my community. It also gives me joy that I am – in a small way – helping members of my community receive vital services for their health and well-being."
